

Catalogue Cheat-Sheet

The following example illustrates the components to each painting listed in the catalogue.

Detailed Explanation

Each painting is given a unique **ID** of five digits. The first three digits refer to the artist. The last two digits identify the artist's painting.

Dimensions are given in height and width and are expressed in centimetres.

Availability is indicated by a dot of the colour green (available), red (ordered) or grey (not available).

Please note: There may be short delays in updating availability as orders are verified.

Example Entry

[painting]

ID: 0 0 1 0 1

Dimensions: 90 x 60 cm

Availability: ●
